**ADMISSION TO VIOLATION OF PROBATION**

I have appeared on the below listed date in County Court, Orange County, Florida. I have been advised by the Judge on the violation of probation charge(s) against me, and have admitted the violation(s) of probation before the Judge.

I have sworn under oath before the Judge that I understand the following:

1. The nature of the alleged violation.
2. The difference between a denial, and an admission, and the effect of each.
3. The right to an evidentiary hearing before a Judge.
4. The right to an attorney, including the right to have an attorney appointed if I cannot afford one, and to ask if the Judge is considering a jail sentence on this charge.
5. The right to have the State Attorney prove by a greater weight of the evidence the allegations in the Affidavit that I violated my probation.
6. The right to question a witness at a hearing.
7. The right to call my own witnesses at the hearing and have the court subpoena those witnesses.
8. The right to remain silent as to any allegation that I violated my probation by committing a crime.
9. The right to testify in my own defense at the hearing.
10. The right to have a court reporter make a complete record of the proceedings.
11. The right to appeal any harmful error to a higher court.

By admitting the violation(s), I have sworn under oath before the Judge that I wish to give up the above listed rights and have the Judge impose the sentence he/she deems appropriate.

I hereby waive any right to consult with an attorney or to have an attorney appointed.

I am not under the influence of any alcohol or drugs at this time, and I fully understand the Judge's instructions, and what my rights are.

I understand I have the right to speak to the Judge concerning the sentence before sentencing, and to appeal, in writing within thirty (30) days, only the judgment and sentence imposed.

I agree that the Judge may find a factual basis for this admission based upon the Affidavit filed by my probation officer.
